Courses taught in English: www.usj.es/en/be-international/incoming/english-modules

Language requirements

The main language of teaching is Spanish, therefore we strongly advice students to sign up for the intensive Spanish language course for exchange students upon their arrival.

The recommended language level is B1 both for English and/or Spanish. Students of Nursing and Physiotherapy taking clinical practice require a B2 level of Spanish.

Translation students: B2 level of Spanish and/or English mandatory.
