Overseas, SEMP, Eutopia students are free to select the courses from all Departments, according to the home University path, EXCEPT for the ones reported below in **red**

Erasmus+ students are divided into three main academic areas, and will be required to choose at least **70% of the chosen courses must belong to the study field of the agreement under which they have been nominated;** (you will receive this information from incoming.mobility@unive.it), the 30% is free, EXCEPT for the ones reported below in **red**.

- *Department of Economics & Venice School of Management*: at least 70% of courses from these two departments, 30% of free-choice courses

IMPORTANT: starting from the a.y. 2023/2024, incoming students are no longer allowed to pick **single modules** out of a 2 modules course.

In other words, if they wish to take a course that amounts to 12 ECTS, and is split into two modules (6 out of 12 ECTS each), they will have to attend **both modules** and the exam will only be validated for 12 ECTS. If you fail to attend both modules, we will not be recognising the exam as passed.

Please find an example of a 12 ECTS course split into 2 modules. The course EM1A13 MODERN AND CONTEMPORARY ART is worth 12 ECTS, but split into two modules, each one amounting to 6 ECTS out of 12. If students wish to take this course, they must follow both

modules, and will not be allowed to follow just one of them (not just MODERN ART or CONTEMPORARY ART, but **both**).

Course	Where	University credits	Code
CONTEMPORARY ART - economia e gestione delle arti e delle attività culturali [EM3]		6 out of 12	EM3A13
MODERN ART - economia e gestione delle arti e delle attività culturali [EM3]		6 out of 12	EM3A13

PERIOD

Students have to identify the period of the scheduled mobility. The academic year is divided into two semesters: Autumn (first semester) and Spring (second semester). Additionally, for the Economics and Humanities Areas, each semester is divided into two terms.

Students must choose courses offered in the semesters corresponding to their mobility.

LEVEL

The level of the courses students wish to attend should correspond to their study level, as higher level courses often need pre-requirements. For ex., students attending a 1st cycle/undergraduate/1st level programme at their sending institution should choose only 1st level (Bachelor's degree) courses, **while** 2nd cycle students (Master's degree) are allowed to attend undergraduate (BA) courses.

However, if the home university agrees, Incoming students are allowed to choose courses from different levels.

COURSE PAGE

When a course has been identified, students should carefully check all the details in its webpage:

Concerning courses description, Ca' Foscari recommends considering the following indications:

- ☐ Incoming students will not be allowed to attend two or more equivalent courses. In order to check this, click on the course webpage, then on the “Professors and degree programmes” label, scroll down to check the label “Equivalent courses for other degree programme”.

EXAMS

Registration to exams is a compulsory procedure, to be done online, with the student's credentials, about one week before the exam date. The exact dates for the online registration are specified in your Personal Area, near to the course title or at [this link](#). The Welcome Unit sends a guideline to all international students with the detailed procedure for the registration.

Be informed that, unless the study plan is completed, it is not possible to register for any exams. It is important therefore that they finalize their study plan as soon as their Learning Agreements are signed. The instructions for this procedure will be sent by the [Incoming Mobility Office](#).

TRANSCRIPT OF RECORDS

At the end of the mobility period, incoming students will receive their ToR, an official document with the details of each exam taken in Venice. Only passed exams will be in the ToR.

In case you also need to prove that you have taken exams without passing them please send a request so we can issue the necessary documents.

In case of any doubts, incoming students can contact the Welcome Unit (incoming.mobility@unive.it).
