

EASCOM PROGRAM

East Asian Student COMmuniication

The EASCOM program is about 10-day program that brings together international students from China, South Korea, Taiwan, Indonesia, and Vietnam.

Traditional games

At this event, each university will bring traditional game from their respective regions, and all participants will have the opportunity to experience them together.

Yatai (=Food Stall)

Each university will prepare and sell their own countries' original food for Hokusei students, and faculty staff.

One-Day Trip

Sightseeing in suburbs by bus.
Last year, we have visiting Otaru for making Wagashi
and visited a lot of places in Otaru.

**Participation in
seminars**

International Camp
